Submitted for orders.

It is to be regretted that the letters below have been long delayed in the records for want of references. Record Keeper D. Shanannah says that he has been reading during his intervals of leisure, all the old Canarese notifications, to find out if any orders on the subject were forthcoming in the records. In this search, however, he has been unsuccessful.

2 In the Sayer Maqhe Natararies, a certain time is invariably ^{prescribed} ~~stated~~ for the transport of the goods beyond the frontier, and the route through which the goods are to pass is also mentioned. The exporting merchant is required, should circumstances require, to get the necessary correction made by the Amilour of the Taluk, in which he may be at the time / this Amilour reporting the circumstances.

Circumstances to the Amulgar
of the Taluk in which, the
Nahadari was first issued,
and produce the Nahadari
before the Sayer official
in charge of the Frontier Kutto.
It is now brought to notice
that these Nahadaries or
passes are not always de-
livered at the Frontier Kutto
and opportunities therefore
exist for the commission of
frauds: There is no doubt
that frauds may be practised
by the Merchants by ~~passing~~
~~export~~ secretly exporting
the ~~same~~ articles covered
by the pass and availing
themselves of the same for
another consignment. It
must also be stated that
the goods passing as they
do, by one of the existing
Communications, cannot
escape the notice of the
Sayer officials ^{at the Frontier} if they were
vigilant in the performance
of their duties and strictly
insisted on the ~~re~~ production
of the Nahadaries.

3 Instances of non delivery
of

of the Passes have always been
noticed by the Dy Commr. by
the infliction of fines on the
delinquents, and to it ^{now} appears
necessary that the Dy Commr
should be empowered to exercise
his authority in a legal
manner. :-

4 In the majority of cases, the
exporters of Sapari are merchants
of Her Majesty's Territories and
when they ~~are~~ convey their
goods beyond the Mysore
frontier, it is always very
difficult to procure their
attestations before Mysore
Deo Officers for enquiring into
the circumstances of the non-
delivery of the Nakadaries;
and ~~to~~ ^{the recovery of fines}
I think it should be made
compulsory on every exporter,
before exporting his goods
from the Taluk in which
he makes his purchases, to execute
a bond binding ~~himself~~ ^{himself} to
deliver his Nakadaries at the
Frontier Kuttay and furnishing
a ~~surety~~ personal security who
should be a well known and
respectable person of the Taluk.

He responsible for all the
consequences of his failure

to do so -

Sir,

I have the honor
to submit the following
question for the orders
of the Chief Commissioner.
2. The Deputy Commissioner,
Chitaldroog, enquired
whether any authority
existed for the imposition
of fines for failure on the
part of holders of Sayer-
Pahadaries to deliver
them to Government
office on the expiry
of the term mentioned
in them.

3. The Deputy Commissioner

in this letter - any circular

of Shuniga and Kaur state the practice
of enforcing such fines exists in their dis-
tricts, but there is evidently no express
authorizing for this proceeding.

4. In order however, that the Ralidari
may be effective, it is absolutely neces-
sary that there should be some penal
provision to enforce its timely delivery;
and I beg the Chief Commissioner
may be moved to legalize the procedure
now adopted in the Shuniga and
Kaur districts.

to say last, Colonel Hill recommended for the reasons therein stated, that Deputy Commissioners of Districts should be empowered to impose fines in cases where Rahadarnas or passes issued to exporters of articles subject to Sayer duties, are not delivered up at the frontier Kattes.

2. From an examination which has since been made of the accounts of a single layer Katte viz Kankatte in—
Banavar Taluk, it appears that out of

those issued from that date, in 1877-78 and 1878-79, 110 and 79 Rahadaries respectively have not been returned.

3. It is obvious that unless the redelivery of these lapsed papers be insisted upon, the checks prescribed in the Chief Commissioner's Circular No. 4076 of 1865, must become inoperative to a great extent, for though the Rahadaries are valid for a few days, in no case for a period exceeding 15 days, their retention in the hands of exporters must facilitate the commission of frauds on the revenue. If it were therefore known to persons receiving these Rahadaries, that their failure to return them, within the specified time, would subject them to fines,

at

at the Deputy Commissioner's discretion, more care would be taken to ensure their delivery -
